MEMORANDUM FOR: Mr. [REDACTED], Acting General Counsel

Mr. Houston asked that this be forwarded to you for a double check on the provisions of Paragraph 5. You will note that it provides for reimbursement to an employee for cost of immunizations secured for himself and his dependents thru other than Agency facilities. This has been a rather hazy area for some time and all of the issues ought to be well settled prior to the publication of this regulation.

[REDACTED]
Deputy Director (Administration)
